Welcome to Apex Music Latino

Bienvenidos a la Familia Apex Music Latino

BETA PHASE · FASE BETA · MARCH 2026

Dear Arcoiris team,

It is an honor to welcome you to the Apex Music Latino family. You have been selected as one of our first artists in our beta phase, which means you will have priority access to all our tools and services as we build the future of Latin music together.

Estimado equipo Arcoiris,

Es un honor darles la bienvenida a la familia Apex Music Latino. Han sido seleccionados como uno de nuestros primeros artistas en nuestra fase beta, lo que significa que tendrán acceso prioritario a todas nuestras herramientas y servicios mientras construimos juntos el futuro de la música latina.

What You Get / Lo Que Tienen

1. Your Landing Page / EPK (Electronic Press Kit)

URL

https://apexmusiclatino.com/genre/tango/arcoiris/

- Your professional page with bio, music, videos, links, and merch
- Adaptive design that changes by genre (tango = elegant crimson)
- “Artistas en Escena” show image carousel

2. Your Fan Capture QR Code

QR URL

https://apexmusiclatino.com/genre/tango/arcoiris/?qr=1

- This QR code activates a fan data capture form
- Each fan receives a unique Fan ID (example: AML-TN-ARC-001)
- Collects: name, email, phone, title, device, location
- Current offer: FREE tango class + 24-step course ($300 value)

IMPORTANT: This QR code is permanent. Print it on banners, flyers, and cards.

3. Your Social Media Link

SHAREABLE LINK

https://apexmusiclatino.com/genre/tango/arcoiris/?qr=1

- Use this link in your Instagram, Facebook, TikTok bio
- Paste it in your posts and ads
- Every click automatically captures fan data

4. Your Artist Portal (Backend)

URL

https://apexmusiclatino.com/artist-portal/

LOGIN

Customize Your Landing Page / Personaliza Tu EPK

1. Go to https://apexmusiclatino.com/artist-portal/
2. Log in with: `arcoiris / arcoiris`
3. Click **"EPK"** in the side menu
4. Edit each section:

   Banner: Change the main image or video

   Bio: Write your story in English and Spanish

   Discography: Add your releases with Spotify links

   Official Video: Paste your video URL

   Social Links: Instagram, YouTube, TikTok, Spotify, Apple Music

   Merch: Add products with prices

   Shows: Add upcoming events with dates and venues

12. Click **"Save"** after each change
13. Click **"Preview EPK"** to see your live page

Fan Capture Strategy / Cómo Usar el QR Code

At Shows & Events

- Print the QR code on large banners (minimum 30×30 cm)
- Place it visibly at the entrance and on stage
- Announce: “Scan the code for a FREE tango class!”
- Every person who scans becomes a registered fan

On Social Media

- Add the link to your Instagram bio
- Share the link in your stories with “Swipe up”
- Post the QR code as an image in your posts
- Use in Facebook/Instagram ads

On Printed Materials

- Business cards with QR code
- Event flyers
- Posters at tango academies
- Menus at partner restaurants

Metrics to Monitor

- Total fans captured (see your portal → FRM)
- QR conversion rate
- Most-used devices (iPhone vs Android)
- Cities where your fans come from

24-Step Communication System (Coming Soon)

We are building an automated 24-step communication system that includes **inbound** (attract fans) and **outbound** (land gigs, partnerships, opportunities) strategies. Content and sequencing vary based on each campaign's objective:

✓ **Inbound — Fan Capture:** Welcome + Fan ID **(ACTIVE NOW)**

✉ **Inbound — Nurturing:** Artist story, free tango class, exclusive content, merch

🎤 **Outbound — Gigs:** Proposals to venues, festivals, corporate events, DJs, A&Rs

🤝 **Outbound — Partnerships:** Outreach to brands, sponsors, media, tango academies

📈 **Analytics:** Open rates, conversion, and ROI metrics per campaign

The Apex Music Latino team will work with you to define the messaging, timing, and audiences for each step based on your goals.

What's Next

Automated Email

Each fan will receive a personalized welcome email with their Fan ID and access to the special offer.

SMS / WhatsApp

Event notifications and promotions sent directly to your fans' phones.

Sentiment Analysis

Real-time monitoring of positive and negative comments across social media.

Marketing Outreach

Email campaigns to land gigs at venues, festivals, and corporate events.

Digital Distribution

Upload music to Spotify, Apple Music, Amazon Music, YouTube Music, and more.

Advanced Analytics

Detailed reports on engagement, reach, and ROI for each campaign.
